

IKGA World Shihan - Kai Seminar 5th – 9th November 2018

On behalf of the European IKGA we are proud to present the next world IKGA Shihan Kai seminar to be held in England 2018 at the Potters Resort, Coast Rd, Hopton-on-Sea, Norfolk NR31 9BX.

You will get a warm welcome at the Potters Resort, the UK's first five star holiday village. Potters provides a huge variety of great value inclusive breaks, with the very best entertainment available on every night of your stay and with amazing theatre shows and special guest star names. Discover somewhere wonderful and visit this 65 acre holiday resort, located on the coastline border of Norfolk and Suffolk.

This is an ideal venue with a large sports hall and sole usage for our training.

The seminar will provide an excellent opportunity for personal contact and interaction in a relaxed atmosphere of friendship and mutual respect; as well as providing a unique occasion to train with the worlds leading Goju Kai masters.

Timetable:

Monday – arrival and check in during the afternoon, welcome meeting late afternoon and opening ceremony and training early evening.

Tuesday, Wednesday, Thursday and Friday there will be training in various aspects of Goju Kai karate do.

Thursday evening – Sayonara (goodbye) party.

There will be other additional activities for family members (i.e. fun and games) and also many other activities for adults, whether you are a karate participant or not. There is also a range of evening entertainment to choose from all at no extra cost.

Included in your stay are three meals a day in the restaurant with excellent food and waitress service provided.

It will also be a superb holiday for family and friends.

This is excellent value considering Potters is a 5 star resort with superb facilities and entertainment. Trains run regularly from London to Norwich and Great Yarmouth, or it is possible for us to organise a coach. You can visit Potters website at www.pottersholidays.com

Please put the dates in your dairies!

As you can appreciate, to organise such an event we need to secure a venue well in advance so as an expression of interest could you please give us an estimate of how many Shihans would be participating in this seminar along with the amount of non – participants (family and friends) from each country.

Kind regards

Ingo De Jong (Hanshi) IKGA Vice President, European Coordinator

Tony Childs (Shihan) Organiser

Mark Adams (Shihan) Organise
